I have been painting and teaching painting for over 35 years. A member of the Society of Decorative Painters, I like teaching both oil and acrylic painters, specializing in Victorian landscapes, objects and people.

Classes are available Tuesday and Thursday evenings from 6:00 p.m. to 9:30 p.m. and Thursday mornings from 9:30 a.m. to 12:30 p.m.

I offer many day long sessions on Saturdays bringing in teachers from around the country to help improve my students skills.

I feature pattern packets that specialize in freehand stroke work with a Victorian Flair. I have designed an ar-

ray of pattern packets and books with Victorian home, Tudor homes, garden scenes floral and so much more. Many of my classes offer instructional opportunities in fine art and decorative painting.

Be sure to check out my line of brushes! These are unavailable anywhere else and each one is created to make your painting and crafting work so much easier!

If you cannot find a product mentioned in one of my packets, books or web site, I carry them ALL at the studio. Please call me at 951-272-6918 or email me at tolebridgeart@gmail.com or at tolebridge@aol.com. Tell me what you want and I can mail it to you!

Mark your calendars now for the 2012 Las Vegas Painting Convention.

This, the 21st year, offers more than 160 classes in a wide variety of media such as oil, acrylic, watercolor and mixed media projects! Leave each class with a completed project - one that you create yourself!

I will be teaching two classes - both paintings using acrylic paints. If you are interested I urge you to get a catalog at my store or go to: www.vegaspaint.com for more information

and see what is offered online. You can also reach them by phone at: 702-221-8234.

My **GREEN BOAT** class is offered on Monday, February from 4 p.m. to 11 p.m. The painting will be 14" x 18" painted in acrylics. Intermediate skills are required.

My **TEXTURED IRIS** class will be taught on Thursday, March 1st from 6 - 10 p.m.

This beautiful iris uses acrylic paints on a textured canvas for a oil or 3D appearance. Again, only intermediate skills are needed.

Classes fill up fast so be sure to

check out this wonderful show and register now for the classes you want! Be sure to see the convention floor for a variety of specials from many of the program teachers and vendors. I will have most of my supplies, books, kits and videos to buy.

The show will be returning to the Tropicana Casino for the second year. Located in the heart of "the Strip" there is plenty of outside entertainment for you and your spouse.

Kelly Hoernig Seminar - Colored Pencils

I have to create and words are an important part of the inspiration. Discovering new "out of the box" ways to put the two together are always a challenge for me. I want to take you on an artistic journey so you can discover your own imagination by seeing things differently and through my eyes. Enjoy the ride and let it inspire you!
